

SCHROEDER Antoine ¹

(1919 -) ²

Esch sur Alzette

Biography

Anton SCHROEDER was born in Esch sur Alzette. His father's occupation was *Pächter*?

Antoine qualified as *maître-forgeron* in December 1947. He resided in Clemency at the time.

In 1950 he married Suzanna NEU, born in 1922 in Diekirch.

According to a note on his Birth Register of 2000 he was officially allowed to carry the first name of Antoine instead of Anton.

It is not known when and where he died, but he presumably died after 2000.

¹ There remains some doubt that the individual "Antoine Schroeder" retained is the present inventor. He might have been born in Clemency, in which case he could belong to the family of Pierre SCHROEDER ([FamilySearch database](#)). No evidence was found to support this view.
