Biography

Josef Karl Bernard BIEWESCH was born in 1911 in Hollerich (Gasperich No 12).

His father, Peter BIEWESCH, was initially a *Schreiner*, and in 1918 set up a *Ziegelfabrik* in Bonnevoie.

Joseph grew up with the Bonnevoie factory, and probably later joined his father. He took over the factory in 1946, at his father's death.

By that time the factory produced "*blocs creux en béton*." ²
