Biography

Nicolas BINTNER was born in 1884 in Helmdange where his father was a *Korbflechter*.

In 1911 he married Anna GUTMANN in Eich. Nicolas was a *Gärtner*.

The family BINTNER-GUTMANN settled in Helmdange.

By the end of 1912, when the couple's first child was born, Nicolas' occupation was *Eisenbahnarbeiter*.

In 1918 and 1919, however, when his last children were registered, Nicolas gave *Gärtner* as occupation.

He probably went back later to work for the national railways since his death announcement mentions: *employé des CFL en retraite*.

Nicolas BINTNER died in 1965 in Luxembourg-city.
