

# BECK Michel

(1826 - 1907)

Ospern

## Patents (details)

### 1 - Kalkofen

LU patent patent application	A085a
Application date	28 July 1865

In July 1865 BECK applied for a patent of 12 years for a “*Kalkofen*”.

The Government informed BECK, through the *Commissaire de district* in Mersch, that the application needed to be filed in due form, i.e. that a number of documents had to be filed:

1° ...; 2° ...; 3° ...; 4° ...

and returned the documents already supplied by BECK.

The latter did not file the required documents and the administrative file remained without technical content ...
