

# DONDELINGER François

(1878 - 1961) <sup>1</sup>

Biwer

## Biography

Franz DONDELINGER was born in 1878 in Biwer (Grevenmacher) where his father was *Wegewärter*. In 1909 he married Anne Marie LAUX of Bissen.

In 1928 he became *agent général* of the Berlin company “Dinse-Maschinenbau A.G.” <sup>2</sup> and registered a corresponding commercial company. <sup>3</sup> He resided in Bettembourg.

“Dinse-Maschinenbau”, founded by Erich DINSE in 1920 (dissolved in 1939) was a *Spezialfabrik für Wägemaschinen*.

DONDELINGER’s inventions are clearly related to the activities of “Dinse-Maschinenbau” and based on knowledge that he had acquired from that company.

François DONDELINGER died in 1961 in Luxembourg-city.
