

PAULUS Marie ¹

(1898 -) ²

Mertert

Biography

Marie PAULUS was born in Mertert in 1898. Her father was an *Ackerer*.

Marie settled in Esch sur Alzette where her occupation was *employée privée* (she was single).

In the 1920s she was actively involved in promoting body incineration.

It is not known when and where she died. It is believed that she remained single.

¹ *It has not been possible to identify the inventor beyond doubt, but Marie Paulus (born in Mertert), among all other persons carrying the same name, is the only person who remained single (at least up to 1937).*
